

How to make Lost in time poncho for spring/summer

This poncho is an alteration of Lost in Time shawl by Mijo Crochet / Johanna Lindahl. I wrote this note to have you more fun with LIT.

Please use this note for personal use only and follow the original pattern's policy. If you love LIT more, please don't forget [Buy a Coffee https://ko-fi.com/I2149C8C](https://ko-fi.com/I2149C8C)

Materials : About 270g(1100m) of sport weight gradient cake yarn.
I used 1 cake of Hobbii twister, color 35(Mermaids),
and 20g of leftover cotton yarn for edging.
3 ~ 3.5mm crochet hook.

Gage : 1dc&1ch x 10 to 10 cm/4"

Note :

🔍 This poncho has two corners. Each corner is the same as the one of original LIT triangle shawl.

Please refer to the original pattern for overall stitches and corner parts.

Original Design : [Lost in Time shawl by Mijo Crochet Johanna Lindahl https://mijocrochet.se/2017/03/15/lost-in-time-shawl-sjal/](https://mijocrochet.se/2017/03/15/lost-in-time-shawl-sjal/)

These corners will be placed front and back.

General drawing

🔍 You start to work from front(or back) corner.

To fit your neck and shoulder, start to make additional two corners (totally four corners) at the shoulder.

From the 1st round to 6th round, increase 2 stitches at the shoulder.

For 7th round, increase 1 stitch, then work straight(no increase) for following rounds. (chart 1)

🔍 to adjust the size:

a. If you want to adjust the size or to use thicker/thinner yarn,

try to reduce/increase foundation chain in multiples of 8 chain/side.

e.g. Start: 54 (46, 38) chain/side, 108 (92, 76) chain/total

{ Ch 27 (23, 19), pm(place a marker) } 3 times, sl st in 1st ch.

e.g. Start: 70 (78) chain/side, 140 (156) chain/total

{ Ch 35 (39) , pm(place a marker) } 3 times, sl st in 1st ch.

b. Or, try to reduce/increase 4 chain/side (at intervals of 8 chain), and **skip Round 8.**

Note that RS and WS are inverted for Round 1 to 7.

e.g. Start: 58 (50, 42) chain/side, 116 (100, 84) chain/total

{ Ch 29 (25, 21) , pm(place a marker) } 3 times, sl st in 1st ch.

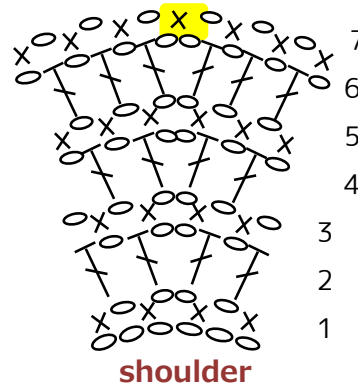

e.g. Start: 66 (74) chain/side, 132 (148) chain/total

{ Ch 33 (37) , pm(place a marker) } 3 times, sl st in 1st ch.

For **Round 7**, please change to "1 sc"

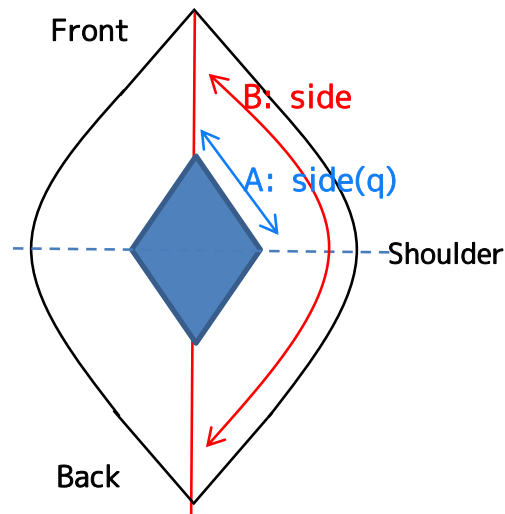

from "{1 sc, ch 1, 1 sc}" in ch-2 sp
at both shoulders.

Then skip Round 8 and work Round 9.

Pattern notes:

- Turn your work after each round.
- Ch1 in the beginning of a round counts as 1 sc.
- Ch3 in the beginning of a round counts as 1 dc.
- Stitches between { } are made in the same stitch or chain space.
- Stitches between () are repeated as many times as indicated after the parentheses.
- Stitches between [] are repeated as many times as indicated after the square brackets.
- "side(q)" means "a side of rectangle". (**A** in blue)
"side" means from the front to the back / from the back to the front.
(**B** in red)

Pattern: (English - US term)

Start:

Note: Please see **"to adjust the size:" section**, and decide the number of foundation chain. This pattern is a sample of 124 chain.

Make foundation chain of 124. Divide the number in quarters, e.g. 31.

...Please finish at your favorite size.

- 📍 If you like to start/end not at the front/back corner but at a shoulder corner, you can do this. However the start position of each round will not be straight up, when you go through a set of shell stitches. You may want to go up at the side of a set of stitches, like depicting zigzag line. (photo 4)
- If you are a beginner, or would like a simple way, you should start at front/back corner.
